

### 50 Chandler Street Belconnen ACT

A quality home doesn't need to scream for attention. It simply speaks for itself.

That's why when you invest in a beautiful living space at The Chandler, you won't have to pay increasingly expensive annual body corporate fees on unnecessary and costly amenity.

Instead, you'll be rewarded with what really matters: an exceptional location - with all the amenity you could possibly want right on your doorstep, an impeccably designed and built spacious apartment, and a lifestyle that is second to none.
