

4 Anzac Park Campbell ACT

Each release in Campbell5 - Saint-Germain, Greenwich Park, Køben, Siena and The Parade - draws inspiration from global cities and precincts recognised for their liveability, creativity and sense of place. Campbell 5 is about building a strong and successful neighbourhood where residents and visitors are engaged on multiple levels.

The success of Campbell5 comes not only from the quality of apartments, but from its enviable location, with residents able to enjoy Lake Burley Griffin, restaurants, cafes and health clubs at their doorstep. Flanked by two of the city's grandest boulevards, Constitution Avenue and Anzac Parade, it's a prime position in one of Canberra's most prestigious inner suburbs.
